

United Way of
San Luis Obispo County

Happy Holidays from your friends at United Way! We wish a wonderful season to all of you and your families!

This Christmas, please help us to provide San Luis Obispo County's Homeless population and residents struggling with hunger with a decadent meal and much needed winter clothing care packages.

This year's dinner will be a 'TO GO' event. Pre-packaged meals will be distributed at the Odd Fellow's Hall, 40 Prado, Morro Bay and Los Osos. The

safety of our guests and workers is our top priority. Our event safety plan has been approved by the County Health Officer. As many local families are struggling more than ever this year, we are in tremendous need of large quantities of cooked food and monetary donations to purchase care package contents.

Please donate through the United Way SLO website (www.unitedwayslo.org) under the 'Care Packages for Christmas' link or text the word CAREPACKAGES to 44321. Please call Sheri Eibschutz (805-594-1999) or email (sherie5678@aol.com) with any questions.

START TODAY UNITED

We've been through a lot in 2020. And we still face significant uncertainty in the coming months and years. But this moment is also an opportunity to build a better future. One that includes every person in our community.

As our country and community recovers from the pandemic, we will see greater need for years to come. Consider this:

- 11 million Americans are unemployed (U.S. Department of Labor)
- More than 1 in 10 don't know where their next meal is coming from (Feeding America)
- At least 30 million people are at risk of eviction (Aspen Institute)
- 1 in 7 students don't graduate high school (National Center for Education Statistics)

Addressing these challenges will take every one of us. Every day United Way of San Luis Obispo County helps chip away at these problems. The progress we make is only possible because of donors like you. Please help us do more by giving today.

The future will be different than we once imagined. But it can also be better than we ever dreamed it could be.

P.S. Did you know that for most taxpayers, up to \$300 of donations to charity are deductible in 2020? Please, give to United Way of San Luis Obispo County now.

THE LIBRARY THAT DOLLY BUILT

Each child enrolled in the Dolly Parton Imagination Library program receives a new, age-appropriate book every month from enrollment through five years of age. From their first book, "The Little Engine That Could", through the last book of the series, "Look Out Kindergarten Here I Come," all books are reviewed and selected by a panel of experts.

With United Way covering the cost of enrollment for many children, Imagination Library is especially valuable to low-income families who may find books to be an unaffordable luxury. However, the number of children we can enroll is determined by the amount of generous donations we receive. Your donation to Imagination Library helps give the gift of literacy to local children. \$50 will enroll a child for one year, and \$250 enrolls them from birth until their 5th birthday! Will you help sponsor a child for the Imagination Library program?
