LIVE UNITED®

WHAT WE DO

EDUCATION

We’re focused on school readiness and childhood literacy with our Imagination Library partnership. Our Born Learning Academy and Vello programs provide practical tools to create early learning opportunities for young children, inspire a love of reading at an early age, and help children become stronger, more confident readers.

HEALTH

United Way is increasing social emotional literacy through workshops with parents of young children, and providing vital referrals and information to the community via 211SLO.org.

FINANCIAL STABILITY

Volunteers teach personal finance skills to high school seniors with our Money Talks curriculum, and help families become more financially independent with free tax filing via MyFreeTaxes.org.

COMMUNITY STRENGTHENING

We’re uniting organizations in addressing the root causes of problems to create lasting change for our future. We foster cultural literacy and education in our community with our Community Impact Fund Grant process, create awareness in our community via radio station KYXZ 107.9 LP FM, connect volunteers with opportunities at more than 300 local nonprofits with volunteerSLO.org, and develop future philanthropic leaders with our Youth Board.
