

FILE FOR FREE USING MYFREETAXES.ORG!

United Way is providing online tax filing software, accessible through MyFreeTaxes.org, to help taxpayers easily and accurately file their taxes from their computer or smartphone. MyFreeTaxes is an easy way to file federal and state tax returns for free.

Why use MyFreeTaxes?

- Screens for credit and deduction eligibility such as the California Earned Income Tax Credit and the Child Tax Credit to ensure filers receive their maximum tax refund, and lets filers check for any missed stimulus payments
- Shows filers how and why their refund amount is changing in real time
- Allows individuals to use their mobile phone, tablet or computer to file taxes

Need a hand using MyFreeTaxes?

Come visit us at one of our free tax preparation assistance sites! We will be at Arroyo Grande, Los Osos, and SLO libraries each Sunday beginning February 20 to help answer your questions. We will have volunteers available to help you set up an account and navigate the software as you prepare your own tax return. Volunteers will not be preparing your tax return.
