

VOLUNTEERS NEEDED!

UNITED WAY'S 14th ANNUAL STUFF THE BUS

Join us for our 14th Annual Stuff the Bus donation drive for new school supplies for local students. Gather your family, friends or coworkers together and help us provide much needed support for schools, teachers and students.

Volunteers hand out shopping lists to store customers and collect donations at the door, or help organize, sort and count all the donations on the bus. This is a great community service opportunity for teens and children, too!
